

# Healthcare Quality Improvement through Partnership

Established experts, NHS values.

## Who we are

**Healthcare Quality Improvement Partnership (HQIP) is a trusted not-for-profit partner of the NHS.**

We offer commissioners, providers and policy makers specialist expertise in:

- Value-based procurement
- Patient engagement
- Clinical audit and registries
- Quality improvement

## Why choose us

- We take a patient-centred, evidence-informed approach to providing high quality solutions
- Everything we do is meticulously tailored to your needs
- We understand your complex healthcare challenges
- We work extensively with NHS organisations, charities and professional bodies
- Comprehensive network of NHS, VCSE and private partners for additional capacity or specialist expertise

## How we can help

### Healthcare Procurement+

- Unique expertise in embedding quality improvement and patient involvement into commissioning
- Management of complex procurement, ensuring legal compliance
- Additional procurement capacity, available immediately
- Procurement transformation

### Leading expertise in national clinical audit and registries

- Leadership of the National Clinical Audit and Patient Outcomes Programme and the National Joint Registry
- Advice, guidance and strategic support
- Setup of registries and national clinical audits

### Improvement, expertly delivered

- Bespoke quality improvement strategy support
- Training and capability building

### Partnership with patients

- Patient and community engagement
- Skilled in reaching and engaging with seldom heard groups
- Tailored range of services available

**Let's discuss how we can help you achieve your goals.**
